Dear Arleta NC Board Members:

The Department of Neighborhood Empowerment processed a "Neighborhood Council Application to Change or Adjust Bylaws" dated May 19, 2010, to amend the Arleta Neighborhood Council (ANC) bylaws.

It appears that the requested changes are consistent with applicable guidelines for Neighborhood Councils such as the Los Angeles City Charter, City Ordinances, and the Plan for a Citywide System of Neighborhood Councils at this time. The Department has further noted that the application contains all required documentation.

Therefore, the "Neighborhood Council Application to Change or Adjust Bylaws" has been **approved**. The current ANC certified and amended bylaws are attached.

It is also noted that based on inclusion, revision, removal, or other such changes, renumbering may have occurred to provide consistency throughout the bylaws document.

It is further noted that while the Department has reviewed the requested changes, there could be additional items within the bylaws that may need to be altered at a later time to be consistent with applicable policies.

The governing structure of the ANC will now be based on these current and amended bylaws and ANC is advised to begin use and distribution of these current certified and amended bylaws. In addition, the Department will keep a copy of said bylaws on file.

Should you have any questions, please contact Thomas Soong at (213) 485-1360 or via email at Thomas.Soong@lacity.org, or toll-free by dialing 3-1-1.

Thank you,

Grayce Liu
